

Sale of 17 Bredhurst St, MARANGAROO

I was in the process of selling my property privately and had my property on the market on and off for a year or so. When I was contacted by Tom Cooper offering his services, initially I was happy to continue marketing my property, after a couple more months of frustration and failed offers I contacted Tom and listed with him. From the outset I found him to be extremely professional, knowledgeable and thorough. He achieved the second best price for the area for the year and took all the stress and strain out of the process.

I have no hesitation in recommending him and TC Real Estate and have already done so to my friends and family.
