**Subject:** Testimonial - TC real estate

Hi Tom

I would like to thank you for making things easier during my interaction with you over last 6-7 months for property lease. I have interacted with other property management firms before and TC real estate really stands out because of level of professionalism, flexibility and availability you have demonstrated as a property manager. I was very satisfied with the fact that you were always reachable and available to talk over phone and your quick response was very helpful to get things done quickly. Your realistic view for property inspections and property condition reports is greatly appreciated as it gives equal justice to both owners and tenants. I would definitely recommend my friends and family to contact TC real estate if they are renting or buying new property to avail this great customer experience that TC real estate offers.

Regards,
